1. Overview

This document gives a brief description on the features available and the navigation in using the Application. The Application has the following major options.

1. Home
2. Admin
3. Operation
4. Inquiries
5. Reports
6. Logout

2. Application Login

On clicking the Application URL, system displays the following screen.

Enter Username and Password

Validations on the User id:

System validates the following while entering the User ID :

- Password expiry date
- User expiry date
- User disabled date
- Inactive /Active user

Password should contain:

- Minimum of 8 characters
- 1 Special character
- 1 Numeric
- 1 Capital letter

Note:

- If password is entered wrongly for 3 consecutive times, the user id will be disabled.
- System will alert the user daily, on the expiry of the password, 6 days before the password expiry date.

On successful login, the User will get the following Screen.

The screenshot displays the 'LOAN RECOVERY SYSTEM' interface. On the left is a sidebar menu with options: Home, Admin, User Profile, Batch Job Scheduler, Batch Job Alert, Parameters, Loan Account Profile, Operation, Inquiries, Reports, and LogOut. The main content area is titled 'LIST OF USERS'. It includes a dropdown for '10 records per page' and a search bar. Below is a table with 6 columns: SL NO, USER ID, USER NAME, EMPLOYEE ID, EMPLOYEE NAME, ROLE, and STATUS. The table contains 6 rows of data. The row with SL NO 5, USER ID RAMASAMY, and STATUS Unverified is circled in red. At the bottom of the table, it says 'Showing 1 to 6 of 6 entries' and has 'Previous', '1', and 'Next' navigation buttons. At the very bottom of the page, there are 'Home' and 'Back' buttons.

3.1.3 Modify User

User can modify any user details at any point of time. Following path to be used to modify the user details.

Admin → User profile → List → Search

The screenshot shows the 'Loan Recovery System' interface. On the left is a sidebar menu with options: Home, Admin, User Profile, Batch Job Scheduler, Batch Job Alert, Parameters, Loan Account Profile, Operation, Inquiries, Reports, and LogOut. The main content area is titled 'User Profile' and includes 'Create User' and 'List' buttons. It is divided into two sections: 'General Details' and 'Role and Rights'. The 'General Details' section contains fields for User Id, Employee Id, Bank Code, Branch Code, Max Inactive Time, Login Low, User Disable Date, Virtual User Flag, Password, User Status (set to 'Active'), and Mobile No. The 'Role and Rights' section contains fields for Role Id (set to 'Select'), Permissions (set to 'Select'), Role Description, and Effective Till. On the right side of the interface, there is a user profile card showing 'User Id : BFI0023', 'Date : 09-01-2019', and a 'Change Password' link. At the bottom right, there is a message: 'Activate Windows Go to Settings to activate Windows.'

3.4 Parameters

- System has the capability to send the Reminders to customers through email.
- User can setup the Parameters for Email, SMS and Reminders in this option.

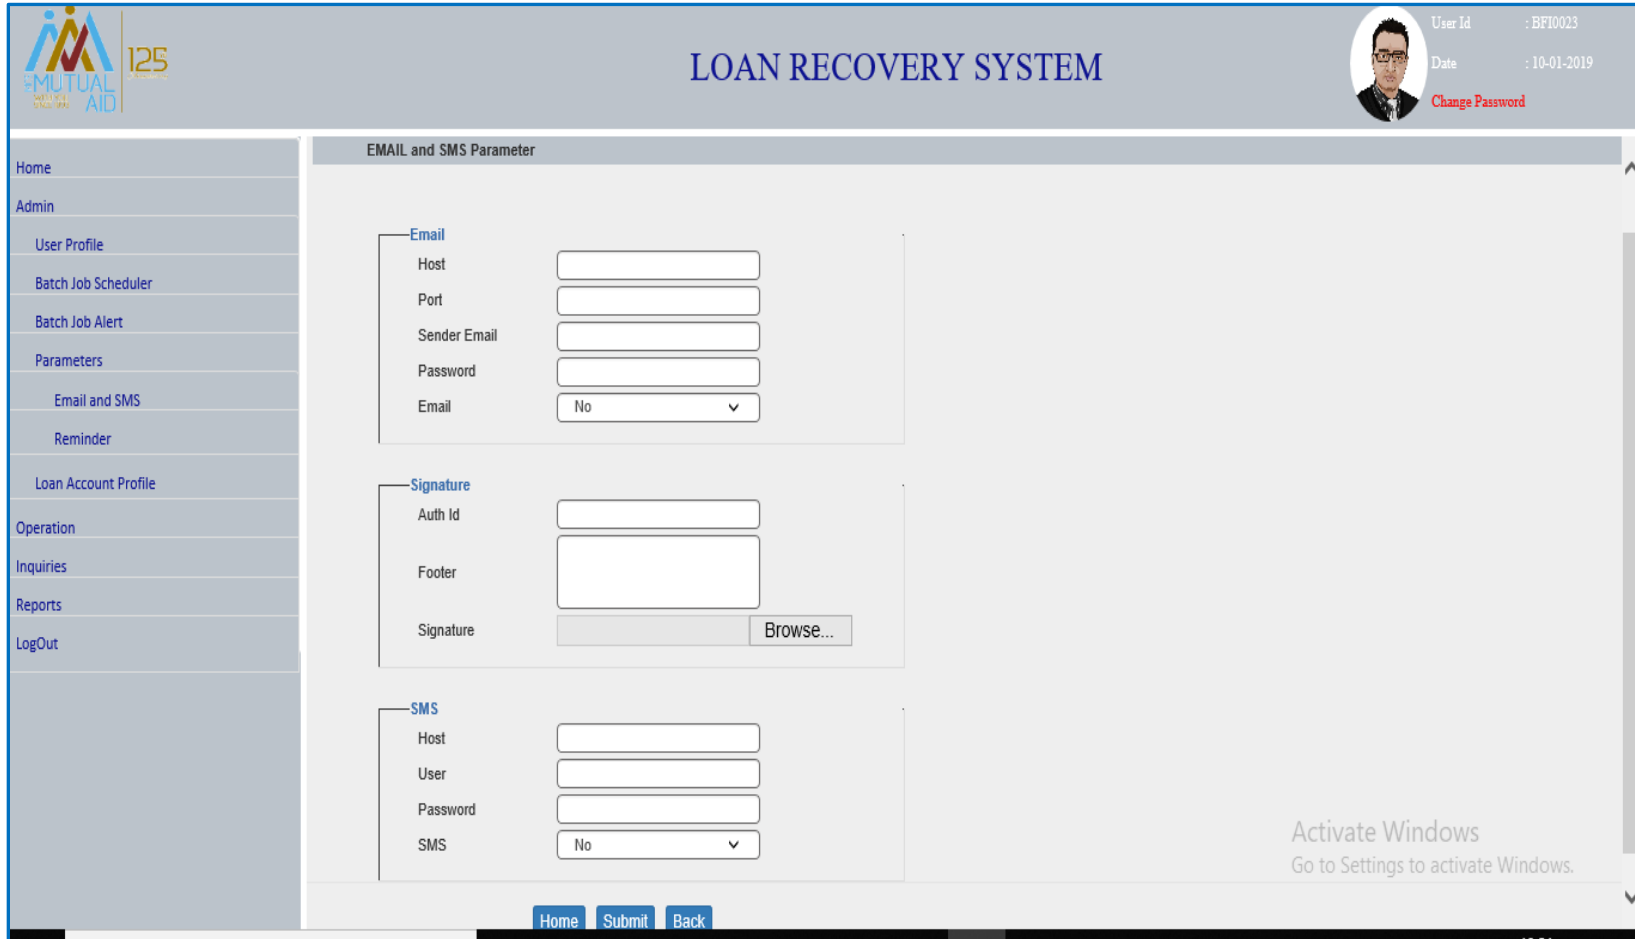

Following path to be used to parameters.

Login to application

Admin → Parameters

Select "Email and SMS or Reminder"

3.4.1 Email and SMS

The screenshot displays the 'LOAN RECOVERY SYSTEM' interface. The top header includes the 'MUTUAL AID' logo, the system title, and user information (User Id: BF10023, Date: 10-01-2019, Change Password). A left sidebar contains navigation links: Home, Admin (User Profile, Batch Job Scheduler, Batch Job Alert, Parameters (Email and SMS, Reminder), Loan Account Profile), Operation, Inquiries, Reports, and LogOut. The main content area is titled 'EMAIL and SMS Parameter' and is divided into three sections: 'Email', 'Signature', and 'SMS'. The 'Email' section has fields for Host, Port, Sender Email, Password, and a dropdown for Email (set to 'No'). The 'Signature' section has fields for Auth Id, Footer, and a Signature field with a 'Browse...' button. The 'SMS' section has fields for Host, User, Password, and a dropdown for SMS (set to 'No'). At the bottom, there are 'Home', 'Submit', and 'Back' buttons. A Windows watermark is visible in the bottom right corner.

4.2 Dispatch Details

For Updating / Modifying Dispatch details, user can use this option.

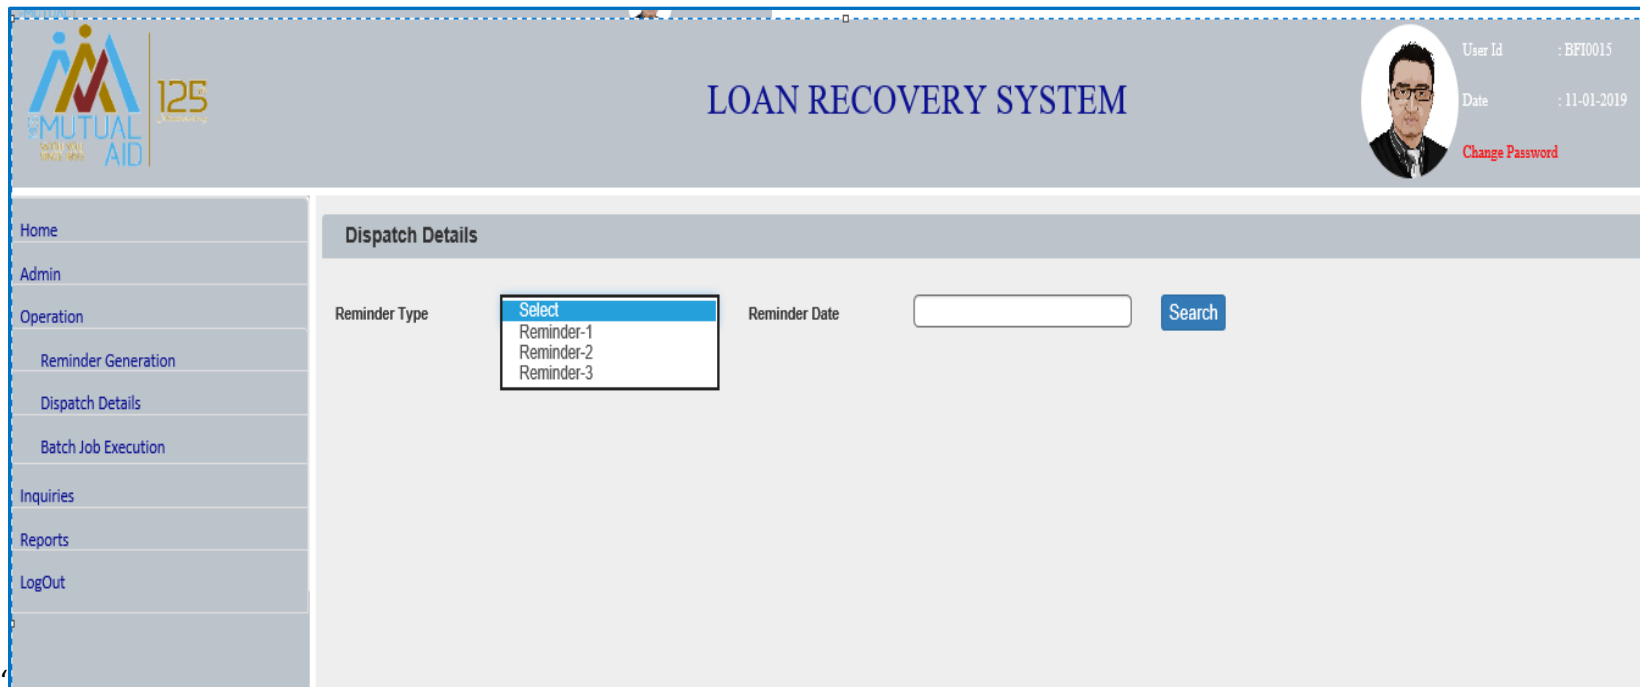

Following path to be used to Dispatch details.

Operation → Dispatch Details

The screenshot displays the 'LOAN RECOVERY SYSTEM' interface. The top header includes the 'MUTUAL AID' logo with '125 YEARS' and the text 'WITH YOU SINCE 1992'. The system title 'LOAN RECOVERY SYSTEM' is centered. On the right, a user profile shows 'User Id : BFT0015', 'Date : 11-01-2019', and a 'Change Password' link. A left sidebar contains navigation links: Home, Admin, Operation, Reminder Generation, Dispatch Details (highlighted), Batch Job Execution, Inquiries, Reports, and LogOut. The main content area is titled 'Dispatch Details' and contains a form with 'Reminder Type' (a dropdown menu showing 'Select'), 'Reminder Date' (a text input field), and a 'Search' button.

- Select the Reminder type
- Input the Reminder date and click 'Search'

The screenshot displays the 'LOAN RECOVERY SYSTEM' interface. On the left is a sidebar menu with options: Home, Admin, Operation, Reminder Generation, Dispatch Details, Batch Job Execution, Inquiries, Reports, and LogOut. The main content area is titled 'Dispatch Details' and contains a form with two fields: 'Reminder Type' and 'Reminder Date'. The 'Reminder Type' dropdown menu is open, showing options: Select, Reminder-1, Reminder-2, and Reminder-3. The 'Reminder Date' field is an empty text box. A blue 'Search' button is located to the right of the date field. In the top right corner of the interface, there is a user profile section showing a user ID of BFI0015, a date of 11-01-2019, and a 'Change Password' link. The top left of the interface features the 'MUTUAL AID' logo and the text '125 YEARS'.

System displays the following message

6. Reports

The following reports can be generated from this option

- List of Overdue Reports
- List of Reminders Reports
- List of Guarantor Reports

6.1 List of Overdue Reports

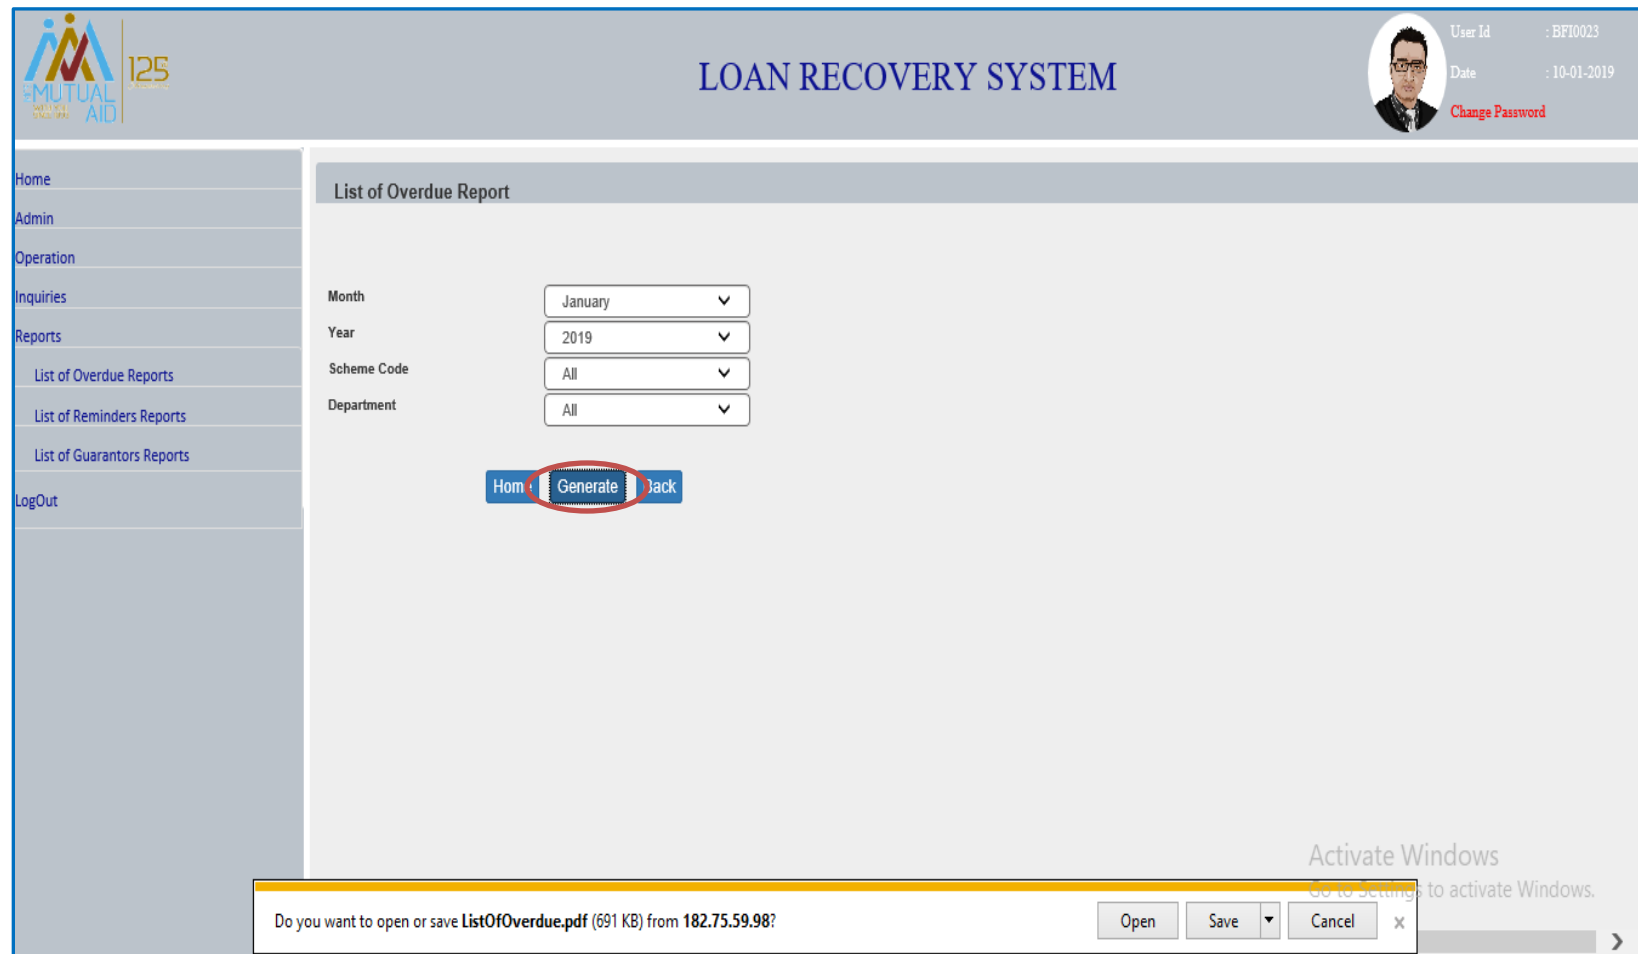

Following path to be used to overdue reports. Login to LRS application

Reports → List of Overdue Reports

The screenshot displays the 'LOAN RECOVERY SYSTEM' interface. On the left is a navigation menu with options: Home, Admin, Operation, Inquiries, Reports, List of Overdue Reports, List of Reminders Reports, List of Guarantors Reports, and LogOut. The 'Reports' section is expanded, and 'List of Overdue Reports' is selected. The main content area is titled 'List of Overdue Report' and contains four dropdown menus for filtering: Month (January), Year (2019), Scheme Code (Select), and Department (All). At the bottom of the main area are three buttons: Home, Generate, and Back. The top right of the interface shows the user's profile (User Id: BFI0023, Date: 10-01-2019) and a 'Change Password' link. The top left features a logo for 'MUTUAL AID' with '125' years of service.

- Input 'Month' and 'Year'
- Select 'Scheme code and Department' from the drop down
- Click on Generate

The screenshot displays the 'LOAN RECOVERY SYSTEM' interface. On the left is a sidebar menu with options: Home, Admin, Operation, Inquiries, Reports (with sub-items: List of Overdue Reports, List of Reminders Reports, List of Guarantors Reports), and LogOut. The main content area is titled 'List of Overdue Report' and contains four dropdown menus: Month (January), Year (2019), Scheme Code (All), and Department (All). Below these is a row of buttons: Home, Generate (circled in red), and Back. At the top right, a user profile shows 'User Id : BF10023', 'Date : 10-01-2019', and a 'Change Password' link. At the bottom, a Windows file dialog is open, asking 'Do you want to open or save ListOfOverdue.pdf (691 KB) from 182.75.59.98?' with 'Open', 'Save', and 'Cancel' buttons.

- Click on Save or open to download the report.
- System will display the report as below :
